

# ILKAN SÜCÜLLÜ

“ Allow me to introduce myself personally to you. I am an unusual mix of a deep love of design, creative breakouts with a pinch of human feelings, I like to contribute to my projects. Meanwhile, who improves self for the new world requires information technologies I like to contribute to my projects.

For me, taking responsibility is a prerequisite for successful work. I face challenges and do not shy away from complex, long-lasting projects when they come promising prospect.

Team Player? This is a natural state for me. Since my childhood, I have devoted myself to sports, among others basketball and volleyball.

## INTERESTS

- # **Music** is around 10 years in my life. Playing experimental tracks and try to create new sound combinations with several instruments are kind of sunshine to my soul. Meanwhile I am taking part in production team of world biggest music community Sofar Sounds Sessions.
- # **Video/Photography** is one of my award winning passion which I love to learn more and discover new challenges in its progress.
- # **Motion Design** is the way of artistic expression of my inner world. Still images tells you a lot but motion design, it speaks to you.
- # **Sport** is a must in my life to detox myself from all the stress of life and motivating myself for a new day. I was licensed basketball player and doing Taekwando for several years. Nowadays just for entertainment. I still enjoy running at Marathons.
